### **4. Grand Prize Shopping Spree Rules and Restrictions**

Each of the three shopping spree prize winners will win a timed shopping spree at a designated Big Save Market location. The physical shopping spree events will take place during normal business hours, requiring contestants to navigate the store alongside regular shoppers. The winning contestant will have exactly 100 seconds to navigate the store and place items into their shopping cart. The total maximum value of the shopping spree is capped at \$500 per winner, excluding sales tax. At the conclusion of the 100-second timeframe, all items in the customer's cart will be rung up and totaled based on the prevailing retail price at that exact time. Once the register total reaches the \$500 threshold, the transaction will be stopped, and any remaining items left in the cart will be returned to the store shelves.

The shopping spree prize items are subject to strict inventory and quantity restrictions. Absolutely

no alcohol, tobacco products, or gift cards (including Big Save Market gift cards or third-party gift cards) may be taken or included as part of the shopping spree prize. Furthermore, the prize excludes pharmacy prescriptions. To ensure variety and fair product distribution, a strict quantity limit applies: no more than 3 of the same item (same brand, size, and flavor/variety) may be included in the final shopping spree prize. Any duplicate items exceeding this limit will be removed from the cart at checkout. The prize has no cash value, cannot be exchanged for cash or store credit, and no substitutions or transfers of the prize are permitted.

For the safety of the contestants, store staff, and patrons, participants are strictly prohibited from running through the store at any time during the event. Contestants must walk briskly while navigating the aisles and must yield right-of-way to other customers in the store. A designated contest official will accompany the contestant throughout the entire 100-second shopping spree timeframe to monitor safety and track the time. Failure to follow the safety guidelines, rough handling of store property, or failure to comply with the instructions of the accompanying official will result in immediate disqualification and forfeiture of the prize.

## **5. Liability Waiver and Media Release**

Participation in the shopping spree involves inherent physical activity and potential risks of injury, which may be heightened by navigating the store during normal operating hours. As a condition of accepting the prize, the three selected winners must sign a standard Liability Waiver and Release form prior to the scheduled shopping spree event. By signing, winners release QSI Inc., Big Save Markets, its officers, directors, and employees from any and all claims, liabilities, damages, or injuries occurring during the 100-second event on store premises. Additionally, acceptance of the prize constitutes permission for Big Save Markets to use the winner's name, voice, and likeness for promotional and marketing purposes across various media platforms without further compensation.
